## Standard Disclosures

The following Disclosures are applicable to the enclosed statement(s). Expanded Disclosures are attached to your most recent June and December statement (or your first Statement if you have not received a statement for those months). The Expanded Disclosures are also available online or by contacting us by using the contact information on the statement cover page.

### Questions?

Questions regarding your account may be directed to us by using the contact information on the statement cover page.

### Errors and Inquiries

Be sure to review your statement promptly, and immediately address any concerns regarding entries that you do not understand or believe were made in error by contacting us by using the contact information on your statement cover page. Oral communications regarding any inaccuracy or discrepancy in this statement should be re-confirmed in writing to further protect your rights, including rights under the Securities Investor Protection Act (SIPA). Your statement will be deemed correct unless we receive a written inquiry of a suspected error. See your account documentation for special rules regarding your rights and responsibilities with respect to erroneous electronic fund transfers, including a description of the transfers covered. For concerns or complaints, contact us.

### Senior Investor Helpline

Senior Investor clients or those acting on their behalf have a convenient way to communicate with our Firm by calling us at (800) 280-4534 Monday-Friday 9am-7pm Eastern Time.

### Availability of Free Credit Balances and Financial Statements

Under the customer protection rules of the SEC [17 CFR §240.15c3-3], we may use funds comprising free credit balances carried for customer accounts here, provided that these funds are payable to customers on demand (i.e., are free of a lien or right of set-off in our favor or on behalf of some third party to whom you have given control). A financial statement of this organization is available for your personal inspection at its offices, or a copy will be mailed to you upon your written request.

### Listed Options

Information with respect to commissions and other charges related to the execution of options transactions has been included in confirmations of such transactions previously furnished to you and such information will be made available to you promptly at your request. Promptly advise us of any material change in your investment objectives or financial situation.

**Important Information if You are a Margin Customer**(not available for certain retirement accounts)

If you have margin privileges, you may borrow money from us in

exchange for pledging assets in your accounts as collateral for any outstanding margin loan. The amount you may borrow is based on the value of the eligible securities in your margin accounts. If a security has eligible shares, the number of shares pledged as collateral will be indicated below the position.

### Margin Interest Charges

We calculate interest charges on margin loans as follows: (1) multiply the applicable margin interest rate by the daily close of business net settled debit balance, and (2) divide by 360 (days). Margin interest accrues daily throughout the month and is added to your debit balance at month-end. The month-end interest charge is the sum of the daily accrued interest calculations for the month. We add the accrued interest to your debit balance and start a new calculation each time the applicable interest rate changes and at the close of every statement month. For interest rate information, log into your account online and select your account with a Margin agreement to view more information.

### Information Regarding Special Memorandum Account

If you have a Margin Account, this is a combined statement of your Margin Account and Special Memorandum Account maintained for you under Section 220.5 of Regulation T issued by the Board of Governors of the Federal Reserve System. The permanent record of the Special Memorandum Account as required by Regulation T is available for your inspection at your request.

### Important Information About Auction Rate Securities

For certain Auction Rate Securities there is no or limited liquidity. Therefore, the price(s) for these Auction Rate Securities are indicated by N/A (not available). There can be no assurance that a successful auction will occur or that a secondary market exists or will develop for a particular security.

### Structured Investments Risks and Considerations

Structured Investments (Structured Products) are complex products and may be subject to special risks. Investors should consider the concentration risk of owning the related security and their total exposure to any underlying asset. Structured Investments, which may appear in various statement product categories and are identified on the Position Description Details line as "Asset Class: Struct Inv," may not perform in a manner consistent with the statement product category where they appear and therefore may not satisfy portfolio asset allocation needs for that category. For information on the risks and conflicts of interest related to Structured Investments generally, log in to Morgan Stanley Online and go to <https://mso.morganstanleyclientserv.com/publiccontent/pdf/SI-COI.pdf>

### Security Measures

This statement features several embedded security elements to safeguard its authenticity. One is a unique blue security rectangle,

printed in heat-sensitive ink on the back of every page. When exposed to warmth, the color will disappear, and then reappear.

### SIPC Protection

We are a member of Securities Investor Protection Corporation (SIPC), which protects securities of its customers up to \$500,000 (including \$250,000 for claims for cash). An explanatory brochure is available upon request or at [www.sipc.org](http://www.sipc.org). Losses due to market fluctuation are not protected by SIPC and assets not held with us may not be covered by SIPC protection. To obtain information about SIPC, including an explanatory SIPC brochure, contact SIPC at 1-202-371-8300 or visit [www.sipc.org](http://www.sipc.org).

### Transaction Dates and Conditions

Upon written request, we will furnish the date and time of a transaction and the name of the other party to a transaction. We and/or our affiliates may accept benefits that constitute payment for order flow. Details regarding these benefits and the source and amount of any other remuneration received or to be received by us in connection with any transaction will be furnished upon written request.

### Equity Research Ratings Definitions and Global Investment Manager Analysis Status

Some equity securities may have research ratings from Morgan Stanley & Co. LLC or Morningstar, Inc. Research ratings are the research providers' opinions and not representations or guarantees of performance. For more information about each research provider's rating system, see the Research Ratings on your most recent June or December statement (or your first statement if you have not received a statement for those months), go online or refer to the research provider's research report. Research reports contain more complete information concerning the analyst's views and you should read the entire research report and not infer its contents from the rating alone. If your account contains an advisory component or is an advisory account, a GIMA status will apply.

### Credit Ratings from Moody's Investors Service and Standard & Poor's

The credit rating from Moody's Investors Service and Standard & Poor's may be shown for certain securities. All credit ratings represent the opinions of the provider and are not representations or guarantees of performance. Please contact us if you need further information or assistance in interpreting these credit ratings.

## HOLDINGS

This section reflects positions purchased/sold on a trade date basis. "Market Value" and "Unrealized Gain/(Loss)" may not reflect the value that could be obtained in the market. Your actual investment return may differ from the unrealized gain/(loss) displayed. Fixed Income securities are sorted by maturity or pre-refunding date, and alphabetically within date. Estimated Annual Income a) is calculated on a pre-tax basis, b) does not include any reduction for applicable non-US withholding taxes, c) may include return of principal or capital gains which could overstate such estimates, and d) for holdings that have a defined maturity date within the next 12 months, is reflected only through maturity date. Actual income or yield may be lower or higher than the estimates. Current Yield is an estimate for informational purposes only. It reflects the income generated by an investment, and is calculated by dividing the total estimated annual income by the current market value of the entire position. It does not reflect changes in its price. Structured Investments, identified on the Position Description Details line as "Asset Class: Struct Inv," may appear in various statement product categories. When displayed, the accrued interest, annual income and current yield for those with a contingent income feature (e.g., Range Accrual Notes or Contingent Income Notes) are estimates and assume specified accrual conditions are met during the relevant period and payment in full of all contingent interest. For Floating Rate Securities, the accrued interest, annual income and current yield are estimates based on the current floating coupon rate and may not reflect historic rates within the accrual period. For more information on how we price securities, go to [www.morganstanley.com/wealth/disclosures/disclosures.asp](http://www.morganstanley.com/wealth/disclosures/disclosures.asp).

## CASH, BANK DEPOSIT PROGRAM AND MONEY MARKET FUNDS

Cash, Bank Deposit Program, and Money Market Funds are generally displayed on a settlement date basis. You have the right to instruct us to liquidate your bank deposit balance(s) or shares of any money market fund balance(s) at any time and have the proceeds of such liquidation remitted to you. Estimated Annual Income, Accrued Interest, and APY% will only be displayed for fully settled positions. Under the Bank Deposit Program, free credit balances held in an account(s) at Morgan Stanley Smith Barney LLC are automatically deposited into an interest-bearing deposit account(s), at Morgan Stanley Bank, N.A. and/or Morgan Stanley Private Bank, National Association, each a national bank, FDIC member and an affiliate of Morgan Stanley. Under certain circumstances, deposits may be held at other FDIC insured Program Banks. ## ALTERNATIVE INVESTMENTS

Your interests in the Alternative Investments recorded in this section, which may have been purchased through us, may not be held here, and are not covered by SIPC. The information provided: 1) is included solely as a service to you, and certain transactions may not be reported; 2) is derived from you or another external source for which we are not responsible, and may have been modified to take into consideration capital calls or distributions to the extent applicable; 3) may not reflect actual shares, share prices or values; 4) may include invested or distributed amounts in addition to a fair value estimate; and 5) should not be relied upon for tax reporting purposes. Alternative Investments are illiquid and may not be valued daily. The estimated valuation provided will be as of the most recent date available and will be included in summaries of your assets. Such valuation may not be the most recent provided by the fund in which you are invested. No representation is made that the valuation is a market value or that the interest could be liquidated at this value. We are not required to take any action with respect to your investment unless valid instructions are received from you in a timely manner. Some positions reflected on your statement, including those with a security description ending in "HLD," may not represent interests in the fund, but rather redemption proceeds withheld by the issuer pending final valuations which are not subject to the investment performance of the fund and may or may not accrue interest for the length of the withholding. There are likely to be restrictions on redemptions; see applicable offering document. Positions with a security description ending in "CPV" represent contributions pending fund valuation inclusive of the activity, while those ending in "DPV" represent distributions or redemptions pending fund valuation inclusive of the activity. These positions should be viewed as a complement to the underlying position with the same description, to ensure a more comprehensive valuation. Information on those investments designated "(RPTG ONLY)" and "(REFERRAL)" is limited to performance reporting only. No investment advice or research is provided.

For Hedge Funds: 1) "Commitment/Aggregate Investment" is equal to the total investment to date; 2) "Redemptions" are equal to any past redemptions/sales that were reported to us; 3) "Distributions" consist of proceeds distributed from the fund.

For Private Equity and Real Estate: 1) "Commitment" is equal to the obligation of an investor to provide funding to the Partnership from time to time in accordance with the Limited Partnership Agreement; 2) "Contributions to Date" is equal to the total investor funding to date; 3) "Distributions" consist of proceeds distributed from the fund.

## HEDGE FUNDS - SHARES

For Hedge Funds - Shares: 1) "Trade Date" may reflect the date on which the positions were transferred into the current account; 2) "Total Purchases vs. Estimated Value" is provided to assist you in comparing your "Total Purchases," excluding reinvested distributions, with the current value of the position; 3) "Net Value Increase/(Decrease)," which reflects the difference between your total purchases and the estimated value of the fund's shares, is for informational purposes and does not reflect your total unrealized gain or loss nor should it be used for tax purposes.
